U.S. IMPORTING **HUNS' GOODS**

Country Brought in Value of \$142 from Germany in July.

Exports to Germany NIL"

Exports to Germany NIL.

Our exports for the seven-month period ending July, 1917, reached \$18,275. No later exports were recorded. The aggregate of exports for July to all countries shows a large increase, while the imports decreased. For July, 1918, the imports were \$241,-462,837, and for the same month in 1917, they were \$255,926,352.

The exports in July, 1918, totaled \$568,048,440, while July, 1917, they amounted to but \$372,758,414.

For the seven-month period ending July, 1918, the total was \$3,482,-922,558, while the exports for the seven-month period in 1917 was \$3,660,786,250.

There were no imports from Bel-work can be done as well elsewher.

There were no imports from Bel-

gium in July 1918, while there were \$55,055 in July, 1917. For the same month in 1918 the exports to Bel-gium were \$26,318,910, with no rec-

A falling off in imports from all the countries is noticeable.

Wide Variation,

Exports to foreign countries vary widely between the two years. The increase of exports to the allied countries is great, while exports to countries of Europe such as Dennark, Norway, Sweden, Holland and other neutral countries show a

reat decrease.
The South American countries ome in for a much larger percent-ge of our exports, while the east-rn countries of Japan, New Zealand and the Philippine Islands also called for a large volume of com-modities. In these cases the coun-tries reciprocated with a larger quantity of material sent to the Unit-

Chewing Gum for Thirst: 2,300,000 Packages Are

Orders have just been placed by the Quartermaster Corps for 2,300,000 packages of chewing sum for the army. It has been found that on long marches and where the tax. More than 600 Washington womthe army when the tax of the majority of whom are engaged.

when embarking for overseas setv-ice, stated that 250 pounds of chew-ing gum would save hundreds of gallons of water when most needed. He pointed out that chewing gum is cheap and that there are times when water is very expen-sive and at times unobtainable. Precautions to save water are therefore being taken. The lemon drops used by the army are pre-pared from a special formula tested for its thirst-quenching qualities. Canned tomatoes have also been found effective for thirst.

Funeral of Dr. J. H. Blandford. The funeral of Dr. Joseph Henry Blandford, aged 85, who died September 4, will take place this morning at

10 o'clock at St. John's Church, Su

ratsville. Dr. Blandford's home was in Meadow Brook, Prince George County.

VACATIONS NEAR END AT D. C. COURTHOUSE

Officials Returning from Summer Rest Period Trips.

Vacation days are about over at the courthouse, and those who went away during the heated term are gradually returning to their posts. John N. Young, clerk of the Su-preme Court for the District of Co-lumbia, is one of the latest arrivals in this connection, having just re-

moderate temperature; gentle normwest turned from a moment such port, Ill.

port, Ill.

Mrs. R. S. Wayland and R. P. Bellev. deputies in the office of Chief
lev. deputies in the office of Chief w. deputies in the office of Chief Clerk Young, have also returned from their vacations. Mrs. Wayland con-tented herself with nursing invalids in her household, while Mr. Bellew

took a trip to Edinburg, Va.
W. E. Williams, financial clerk of
the District Supreme Court, left yesterday for Atlantic City, accom-panied by his wife. From there they will go to Elizabeth, N. J., and visit relatives. William A. Kroll, clerk of the mar-

riage license department, expects to get away for a month's vacation within a day or so.

Widow of Lieut. Post Learns Husband Dead

Lieut. Dana C. Post, who was mentioned in the casualty list as "killed in action," was a surgeon at the Naval Hospital here for two years after which he served for five years in China and the Phil-A native of Benton Harbor Mich

and a graduate of the University of Michigan. Lieut. Post came to this city in 1911 and married a Washington young woman, Miss Helen Dick, a graduate of Central High School. Mrs. Post has re-ceived no official notification of her husband's death, but had her first news from the casualty list.

15,000,000 Tons of Food To Be Shipped in 1919

According to a plan mapped out yesterday at the conference of Federal food administrators from every State in the Union, America will send 15,000,000 tons of foodstuffs to Europe next year, instead of the 10,000,000 tons which were exportable this year.

10,000,000 tons which were exported this year.

The sugar situation was discussed and it was decided to retain the present ration of two pounds per month per person. The certificate system by which sugar is alloted to dealers will be maintained.

Conditions in the drought-stricken Southwest were also discussed. en Southwest were also discussed and plans of relief advanced. Despite the bountiful harvest this year, the administrators were unan-imous in declaring that food con-servation must be intensified.
